

HEALTH FAIR

Project AsPIRE

*Did you know that
51% of Filipino men and 61% of Filipino women over 50
have uncontrolled hypertension (high blood pressure)?*

Project AsPIRE is offering screening and education on heart disease and the opportunity to participate in research to help Filipinos reduce their risk for heart disease.

No Cost Screening for Blood Pressure Glucose and Cholesterol

Where: Kalusugan Coalition, Inc.
39-04 63rd St., Woodside, NY 11377

When: Saturday, December 4, 2010
10am – 3pm

Tagalog-speaking interpreters will be available!

*For more information on future health screenings,
please call us at 917-445-3904
or visit our website: www.kalusugancoalition.org*

This event is co-sponsored by:
