

[Date of Mailing]

Dear Mr/Ms: \_\_\_\_\_

Thank you for participating in the NYU Langone research study on Gastric Cancer Prevention among Chinese Americans. Please find enclosed an unactivated gift card as our appreciation for your participation and support of the study.

Upon receiving this letter, please call or text me, \_\_\_\_\_ at \_\_\_\_\_, your community health representative so that I can immediately activate the gift card for you to use. Please keep this gift card throughout your participation of the entire research study as we will reload the gift card with \$25 after completion of each follow up (2-month and 6-month survey). Below is the payment schedule for your reference:

Baseline Survey (at enrollment)	2 <sup>nd</sup> Survey (2 months after enrollment)	Final Survey (6 months after enrollment)
\$25	\$25	\$25

At the end of the study, you will have received a total of \$75 through the gift card. If you have opted to participate in the biosample substudy, you may also receive up to \$35.

If you lose your gift card at any time of the study, please immediately let me know via phone call or text. I will mail you a new replacement gift card worth the same value.

There are two ways that this gift card can be spent:

- You can chose to spend this gift card like a credit card at any store except for restaurants and hotels.
- You can chose to go to any bank to withdraw the cash value. You will have to show a valid ID and the gift card to the bank teller.

Below are some things to keep in mind when spending your gift card at any store:

- ***Spend all the money, entire \$25 during one transaction.*** If you do not use everything at once, you will have to tell the cashier the exact value you want to spend and keep a reminder of how much is remaining for next time's purchase.
- ***Spend the gift card within 3 months after each payment.*** If you do not use the gift card within 3 months after each payment is loaded onto the card, there will be a monthly fee of \$4.50.
- ***Choose Credit Card Payment at stores.*** When using the gift card at stores, make sure to select "credit card" instead of debit card in order to avoid entering the PIN number. If you select debit card, remember to use the following PIN number: 8888.

If you want to check the balance on the gift card, you can choose to contact me or follow the instructions below:

1. Call Customer Service 1-866-962-3795
2. Press 2
3. Enter your 16-digit card number, follow by # sign
4. Enter PIN number: 8888, follow by # sign

If you have any questions on how to use the gift card at any point of the study, please do not hesitate to reach out to me.

We thank you again for your participation in this research study, and wish you continued good health and prosperity in \_\_\_\_\_.

Sincerely,

---
