

Today's Visit	<p>_____ is ____ months old!</p> 	What I've noticed:	
	<div> <div> What to look for: <ul style="list-style-type: none"> Makes sounds like <i>ba</i>. Is learning to sit. Reaches for what interests them. May begin to sleep through the night. </div> <div> Tips: <ul style="list-style-type: none"> Imitate your baby's sounds. Take turns "talking." Your baby makes a sound, then you make a sound. Help your baby sit during playtime. Talk about what your baby is interested in and reaches for. Make reading a part of your bedtime routine. </div> </div>		
Reading, Playing, and Talking Together	<p>Favorite moments together:</p> <p>Ideas for playing together:</p> <ul style="list-style-type: none"> Point out parts of the face on the puppets and on your baby. Make up a story with the puppets. 	<p>Planning play together:</p> <p>▶ <i>Let's play together!</i></p>	<p>My plan for home:</p> <p>Find time every day to read, play and talk (best with TV off).</p> <p>Looking forward to our visit at ____ months!</p>
