

# HEALTH + HOUSING PROJECT

Dear Resident:

The **Health + Housing Project** is starting this week!!

Sometime in the past two months, you completed a survey about your health and social service needs. At the end of the survey, you expressed interest in being contacted by a Community Health Worker (CHW) to start addressing these needs.

You have been assigned to a CHW who will reach out to you shortly to begin the enrollment process. Your CHW's contact information is:

[CHW name}

[CHW phone number]

[CHW email]

We look forward to meeting with you soon!
